Looks good.

FYI: We're going to start asking BIDs to provide their numbers (i.e. number of trash bags collected, number of graffiti removal incidents, number of streets cleaned, etc.). We're going to compile an annual report for the City Council and Mayor so that the work of the BIDs to improve the city is more evident. Your vendors should be providing the BIDs this level of detail to support their invoicing so it's not necessarily work that will need to be compiled by the BID staff (paid and unpaid).
